# PHARMACY CONFERENCE 2025

November 22-23, 2025 | CCAD Auditorium, Cleveland Clinic Abu Dhabi

# Welcome Message

We are excited to announce the commencement of preparations for the upcoming CCAD Pharmacy Conference, scheduled for November 22-23, 2025, in the vibrant city of Abu Dhabi, UAE. This year's conference will revolve around the practical integration of evidence-based approaches into your daily pharmacy practice.

Brought to you by the dedicated team at the Cleveland Clinic Abu Dhabi Department of Pharmacy Services, this exceptional event is tailor-made for pharmacists, physicians, nurses, and all healthcare professionals seeking to elevate their understanding of medication therapies and best practices in Pharmacy Operations.

Over the course of this enlightening two-day conference, participants can expect a diverse range of sessions and hands-on workshops, each focusing on the optimal strategies within the medication management process. These include, but are not confined to:

- Automation and Informatics
- Innovative Pharmacy Practice Model
- Ensuring Quality and Medication Safety
- Advancements in Outcome Focused Clinical Pharmacy Services
- Training and Education Excellence

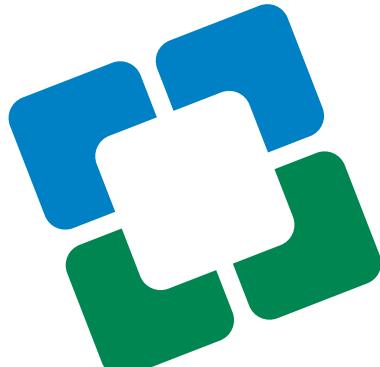

We eagerly anticipate your return to this unique educational journey, confident that it will further unite us in our collective mission and responsibility of delivering the highest level of care to our valued patients.

We look forward to welcoming you in Abu Dhabi!

Sincerely,

Saad Sultan, PharmD  
Executive Director, Pharmacy Services  
Conference Chair
